

To Whom it May Concern,

Please excuse _____ from classes on Thursday, April 8, 2021 and Friday, April 9, 2021. He or she will be rehearsing, performing, and filming during this time with Cap City Percussion, a competitive percussion ensemble based out of Columbus, Ohio. This is the week of our final competition of the season, for which we need all performers to finish tweaks to our 2021 production. Along with rehearsing, we will be filming for a documentary detailing the very interesting year this has been for performing arts groups such as Cap City.

Each of our members have poured hundreds of hours of work into making this group successful in such a strange year, and it is vital for the good of the ensemble as a whole that all of our members take part in these final rehearsals and compete with the group at the climax of this season. That said, we do understand that most of our performers are high school and college students, and have academic obligations. We have worked with our members throughout the fall, winter, and spring to reduce conflicts with both work and school assignments as much as possible, and appreciate your understanding of their absence during these crucial final days of our season.

Sincerely,

Donnie Ross
Executive Director
Cap City Percussion
