

2019 Membership Fees

As mentioned in the Member Contract, dues for this season are \$1200 (or \$750 for the dance ensemble), with an additional \$250 owed for the cost of your shoes and uniform. You will be able to keep the shoes and the uniform at the end of the season. Veteran members will receive a discount off the FINAL payment based on the number of years spent with Cap City.

In order to keep up with the various purchases this organization needs to make throughout the season, the directors must know when cash is flowing in and out. If our current payment plan (see below) does not work with your schedule, use the space on the following page to set-up an alternative plan and work with the administrative staff to finalize it.

Please Note: All financial obligations, regardless of the payment plan, need to be settled in **FULL** by the last rehearsal in March. Failure to do so will result in not performing at WGI World Championships.

Total Music Member Cost (Including Uniform Fee)	
Years with Cap City	Cost
1	\$1450
2-3	\$1350
4-6	\$1250
7+	\$1150

Remediation

Failure to follow the established payment plan will result in being withdrawn from rehearsals, show weekends, and all Cap City events until a deposit of at least \$20 is made towards your dues. This means that **if you fall behind your dues schedule, you will need to pay at least \$20 every weekend to rehearse/perform until you catch up.** Communication is vital for your success, along with the success of your section and the organization as a whole. Please contact Aaron Vranekovic with any questions or concerns regarding your membership fees.

Acknowledgement

By signing this contract, you agree to fulfill your financial obligations as a member of Cap City Percussion's 2019 ensemble in a timely manner, and understand the consequences for failure to honor this agreement.

Please pick one: ☐ I will be using the default payment plan this season

☐ I will be using a custom payment plan this season
