

# CC21 Season Schedule

In-depth schedules with exact times and locations will be sent out before events. As a general template, weekends are usually Friday night, all day Saturday (until around 11 pm), and Sunday until around 5 pm. CC2 will usually end earlier on Saturdays to facilitate travel as needed. Filming dates are for OIPA and WGI remote competitions, or Cap City streams. Show dates are in-person shows.

## World

*(Current as of 1/05/2021)*
